

Govarthanan D

Full Stack Developer

Portfolio | govarthananduraisamy@gmail.com | LinkedIn | GitHub | +91 8220839008

Summary

Entry-level Full Stack MERN Developer with hands-on internship experience building real-world web applications. Skilled in React, Node.js, Express, and MongoDB, with experience in AI-integrated platforms, REST APIs, authentication, and responsive UI development. Possess basic working knowledge of AI concepts including NLP, LLMs, RAG, and prompt engineering. Actively seeking a junior full-stack developer role to grow in a professional engineering environment.

Technical Skills

Frontend	React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap
Backend	Node.js, Express.js, REST APIs, JWT Authentication
Database	MongoDB, Mongoose
AI & ML (Basic)	Natural Language Processing (NLP), Large Language Models (LLMs), Retrieval-Augmented Generation (RAG), Prompt Engineering, Basic Machine Learning Concepts
Tools	Git, GitHub, Postman, Netlify, Render

Projects

AI Lawyer Live Demo	React, Node.js, Express, MongoDB
• Built an AI-powered legal assistant allowing users to upload PDFs and ask document-specific queries • Implemented PDF text extraction and AI-driven conversational responses • Developed digital complaint filing and legal document generation features • Deployed the full-stack application using Netlify and Render	
E-Commerce Platform Live Demo	React, Node.js, Express, MongoDB
• Implemented authentication and real-time shopping workflows • Optimized application performance and ensured responsive UI across devices • Integrated AI-based order confirmation notifications	
Blog Platform Live Demo	React, Node.js, Express, MongoDB
• Developed a secure CRUD-based blog platform with role-based access control • Implemented authentication and session management • Designed a fully responsive user interface	
Netflix Clone Live Demo	React, Redux
• Built a Netflix-inspired UI with protected routes and authentication	

- Integrated APIs and animations to enhance user experience

Internship Experience

Full Stack Developer Intern – NayayNow

May 2025 – Sep 2025

- Contributed to development of an AI-powered legal web platform
- Implemented PDF ingestion and document-based query handling
- Worked with REST APIs, authentication, and deployment workflows

Certifications

- Full Stack Developer Certification – GUVI (IIT), 2025
- Frontend Developer Certification – NayayNow, 2025
- Internship Experience Certificate – NayayNow, 2025

Education

Bachelor of Science in Statistics

Govt Arts and Science College

2014 – 2017
